

MANSFIELD

Community Recycling Trailer Railroad Ave.

Hours of Operation
Drop-Off Site – Recycle Anytime

The collection and reprocessing of used materials into new products, better known as RECYCLING, has become a standard practice within the Town of Mansfield. The average Mansfield household generates approximately 8.58 pounds of waste per person, per day! By properly disposing of your waste at the Community Recycling Center, you will help keep the Town of Mansfield clean and safe.

Make sure recyclables are **EMPTY, CLEAN** and **DRY** before placing them in recycling containers. ONE dirty item can contaminate thousands of pounds of materials. **WHEN IN DOUBT, THROW IT OUT**
